

The growing importance of the water sector markets in Pakistan, India and Bangladesh – opportunities for Danish companies.

Seminar on Tuesday 15 September at 13.45-17.30 hrs – at Asia House, Indiakaj 16, 2100 København Ø

Asia House in cooperation with the Danish Water Forum and the Trade Council, Ministry of Foreign Affairs of Denmark would like to invite you to the seminar “The growing importance of the water sector markets in Pakistan, India and Bangladesh – opportunities for Danish companies”.

The seminar will give you detailed information on: water supply, sewage and wastewater treatment, water resources, urban water management and financial aspects of the sector in the 3 countries. Danish companies will further share their experiences from working on these markets and it will be possible for you to meet with Danish embassy commercial advisors, who can assist you in accessing the 3 markets.

Registration required. Register and book meetings with commercial advisors [HERE](#) by **8 September**. Questions may be directed to: eksportraad@um.dk /tel: +45 33 920500
