

## 17th Annual DWF Water Research Conference, 8 February 2023

### First Announcement:

17th Annual Water Research Meeting at Grundfos Academy, 8. February 2023  
Venue: Poul Due Jensen Academy, Grundfos, Poul Due Jensens Vej 21, 8850 Bjerringbro

You are invited to join the water day, where the latest results and achievements from the Danish water sector is presented.

**Abstract guideline:** [HERE](#) **Deadline for Abstracts 20. November 2022.** Send abstract to [dwf@danishwaterforum.dk](mailto:dwf@danishwaterforum.dk) with a copy to [jda@dhigroup.com](mailto:jda@dhigroup.com). Subject Title: **ABSTRACT**

#### **KEY NOTE: Coping with water shortage across Europe**

The extreme water shortage in both North and South Europe during the spring and summer 2022 has shown the vulnerability of water supply for citizens and agriculture and certainly also for the electricity production from hydropower.

The key-note will dive into the challenges and will also look into the future to search for potential solutions such as pump-storage, groundwater recharge and other solutions

**Pre-registered Sessions:**  
To be announced

Two awards of 10.000 DKK, sponsored by NIRAS and Grundfos, will be given to two young scientists, who present new innovative solutions in the water sector.

---

**Members of the Scientific Committee are:** Peter Engelund Holm, PLEN, University of Copenhagen, Bjørn K. Jensen, GEUS; Hans Jørgen Albrechtsen, DTU Environment; Peter Henriksen, WATEC, Aarhus University; Jesper Goodley Dannisøe, DHI; Torben Lund Skovhus, VIA University College, Ole Mark, Krüger; Hans-Martin Friis Møller, KALFOR; Anders Refsgaard, COWI, Ines Breda, YWP, Ida Holm Olesen, Region Syd and Christian Schou, Aarhus Vand.

---

#### **The Secretariat:**

Danish Water Forum, Agern Allé 5, 2970 Hørsholm
