

Vandrelaterede forsknings – og udviklingsprojekter

Følgende liste indeholder igangværende og nyligt afsluttede forsknings- og udviklingsprojekter indenfor vand. Projektlisten revideres løbende, og information om nye projekter – og eventuelle rettelser til de eksisterende beskrivelser – bedes sendt til Lisbeth Flindt Jørgensen: lfj@geus.dk eller Jesper Dannisøe: jda@dhigroup.com.

Listen er opdelt efter igangværende og afsluttede projekter (tilbage til 2010)

Inventory on research and technology development project on water

This inventory contains existing and recently finalized RTD projects within water. The inventory is revised from time to time, and information about new RTD projects – or revision of the current descriptions – should be sent to Lisbeth Flindt Jørgensen: lfj@geus.dk or Jesper Dannisøe: jda@dhigroup.com

The first list reflects running project while recently ended (from 2010 and forward) is listed separately.
